Dear Art:

SUBJECT: SPKCO-0 (E81-120) Cease and Desist Order Issued to Leo LeMay  
regarding Placing Dredge Material into Colorado River

The Environmental Coordinating Committee of the Utah State Clearinghouse has reviewed this cease and desist order. Comments are attached from the Division of Oil, Gas and Mining as well as the State Division of Wildlife Resources.

The Utah Water Pollution Committee recommends that the decision as to whether or not the permit be granted be determined through the public notice review system.

Thank you for the opportunity to review and comment on this proposal.

Sincerely,

*Carolyn M. Jones*
